# A WE ARE SHDOWN

## Learning That Leads the Way

At Ashdown, we are committed to meaningful, hands-on learning. Our STEM programs, like robotics, coding, environmental science, and digital media, give students real-world experience in science and technology. We also focus on building confident, engaged learners through leadership programs, mental health support, and activities that help students explore their passions.

# welcome BACK TO SCHOOL

Sports fans!

*Christian Atmosphere*  
The mission of St. James Day School is to educate students in a safe and nurturing environment that instills high intellect, character, and compassion—challenging them academically, physically, and spiritually to achieve their highest potential as confident individuals and future leaders.

*Quality Education*  
Give your child the gift of greater educational opportunities! We believe in growing the whole child, and we individualize our students' needs to challenge them into becoming critical thinkers and lifelong learners.

*The Arts*  
We foster our children to have a love and respect for the arts. We build students into freethinkers, open communicators, knowledgeable citizens, and respectable individuals who care about their community around them.

# A WORD FROM YOU COULD **change everything**

Someone in your life—a child, friend, neighbor, employee—may be thinking about college.

Your encouragement could be the reason they take that first step.

At Texarkana College, we're here to help them start or start over. Together, we can help build their future.

**Fall classes begin August 13.**
